Change a Life – Whose Life Will You Change?

What's so special about this Golf Tournament?

This is a great opportunity to network with local businesses, thank clients, reward employees, advertise your business and contribute directly and help *change a life* through safety and disaster relief of neighbors, family and friends.

The Greater Steuben Chapter of the American Red Cross mission is to provide relief to victims of disasters and help people prevent, prepare for and respond to man-made and natural disasters. Twenty-four hours a day, 365 days a year, your American Red Cross is answering the call...whether it is a family devastated by a house fire, providing emergency messages to our service men and women, or teaching others how to save a life through CPR/AED training.

Help us change a life.

The Greater Steuben Chapter is privileged to serve the greater Steuben County and Almond & Burns in Alleghany County.
